CONSIDER OUR CULTURAL FUTURE WHEN YOU VOTE ON 23 MARCH

The NSW Liberal Government doesn't get the Arts.
By the Government's own reckoning the Arts annually contributes \$16.4 billion to the NSW economy and 120,000 jobs, yet Government annual funding to the Arts is a miserable \$542 million. For every \$30 generated by the Arts, the government contributes \$1. Support for the Arts makes economic sense and is vital for our culture and identity.
