CONSIDER OUR CULTURAL FUTURE WHEN YOU VOTE ON 23 MARCH

The NSW Liberal Government gets property development but it doesn't get the Arts.

The NSW Liberal Government plans to move the Powerhouse Museum to Parramatta. This is a massive waste of YOUR money. Everyone knows about the wildly unpopular plan to spend \$2 billion of tax payers' money on stadiums, however the Government will also spend close to this amount on moving the Powerhouse Museum to Parramatta.

Despite a devastating Upper House Inquiry that found there is no credible business case for the move the Government is still determined to proceed.

Surely Parramatta deserves a world-class arts Centre of its own. We should build additional Arts infrastructure not just move one.
