CONTACT PREMIER CHRIS MINNS AND TELL HIM TO SAVE THE PHM AS PROMISED

Save the Powerhouse Museum savethepowerhouse@gmail.com

Hi everyone,

In a full-page announcement in today's (7 July 2024) Sun-Herald (page11) <https://todayspaper.smedia.com.au/smh/default.aspx> or <http://tiny.cc/opp0zz> the Powerhouse Museum Alliance (PMA) says "Labor is wasting \$400 million+ demolishing the PHM, yet another broken Labor promise"

- Every exhibition destroyed
 - Collections gone forever
 - 75% less exhibition space
 - For \$400m+ Labor shrinks a great museum to three empty spaces
- "STOP LABOR'S WASTE, CULTURAL VANDALISM AND MUSEUM DESTRUCTION"
- . Labor must keep their promises to the people of NSW
 - Do the repairs and maintenance, renew the exhibitions and get our Powerhouse Museum open!

Have your say -

- [Contact the Premier](#) Chris Minns - tell him to save the PHM as promised.
- Sign our joint Save/Pyrmont Action/Friends of Ultimo joint petition <https://www.change.org/p/keep-the-powerhouse-museum-in-ultimo-open> and leave a comment if you have not done so yet and also encourage your family and friends to sign it. The petition already has almost 7,400 signatures from both Australia and overseas.
